racing on the strip again  
I've got to have some more  
I can't wait to stand next to the light  
Screaming tires, badass racers  
thats the things that make me feel alright

I'm moving in fast, I'm moving in slow  
I got to help myself to find a cure

let me out, let me fly around the fields  
I don't give a damn if someone there is threatening me  
let me out, let me fly around the fields  
I don't give a damn if I smell like gazoline

riding on down the pitlane  
I've got to change my wheels  
I can't stand the thought of slowing down  
changing gears I'm dropping the hammer  
I drive so fast my eyes are going blind

I'm moving in fast, I'm moving in slow  
I got to help myself to find a cure

let me out, let me fly around the fields  
I don't give a damn if someone there is threatening me  
let me out, let me fly around the fields  
I don't give a damn if I smell like gazoline

let me out, let me fly around the fields  
I don't give a damn if someone there is threatening me  
let me out, let me fly around the fields  
I don't give a damn if I smell like gazoline
