Street Love

Yo

Wassup baby

There's something I wanna tell you... Listen

You got yours I got mine

We both fly but I still want you

This one callin wrote me on and

Can't enjoy it cuz she jus aint you

So wat you want this to be

I can't stop thinkin of

When we make good love

(No more late night creeps to get me off)

Don't need no one to rush

Need no one but us

Trust me wen I say girl

Baby I'll give it up for u (ooo yea)

As long as you promise to do it too (too)

(Promise to do it too)

Put me on (on)

You can't play wit a playa that so long (so long)

And I'm not tryin to lose to strong

And I know your willing

If you are I'm willing

If you want it

Come get it

What you want this to be

Cuz I can't stop thinkin of

When we make good love

(No more late night creeps to get me off)

Don't need no one to rush

Need no one but us

Trust me wen I say girl

Baby I'll give it up for u (ooo yea)

As long as u promise to do it too (too)

(Promise to do it too)

I can't take no more games
I can't control how I feel
Emotions tell me that it's real
You got my heart in your hands
Handle with care cuz it's fragile
Girl I'll give it up for you

Baby I'll give it up for you
All u gotta do is promise me you'll do it too
As long as you promise to do it too (too)
Baby girl I'm fallin time to put it on ya yea
Baby I'll give it up for you
I'm only askin one thing
As long as u promise to do it too (too)
Promise me baby yea yea yea
