[music by Walsh/Sykes, lyrics Walsh]

Stained souls  
Humanity deprived  
Manipulation for greed  
Feeding of broke system  
Power hungry authority  
One world. One religion  
New world stance  
Solar worship  
Dark majesty  
Secret society  
Cult of intelligence  
Skull and bones  
Mark of corruption  
Invisible to the naked eye  
Plagued economies  
Force feed your lie  
Hide behind the walls  
Laws of the land  
Corporate actions  
Overextend the means  
Terms of hypocrisy  
Prey on the innocent  
Compromise to the republic  
Achievements forlorn  
Computer chip implant  
Sold to you. Illusions  
Plans within plans  
Exchange the currency  
Where is your god?  
[solo: Walsh]  
your final sentence  
self realized epidemic  
burden of proof  
denied redemption  
step on the common man  
no salvation  
past lives degrees  
solar tolerance  
since the beginning of time  
a thousand points of light

entwined from the start  
new world standards  
sublinked to the powers  
Christianity abolished  
Encoded global domination  
Petrified in false  
Illusions  
No choice of true  
Freedom  
fixed on systems  
conceisive efforts  
the great seal  
days of hunger  
pulling my strings  
tear my right  
purged of emotions  
diplomatic sanctions  
mankind enslaved  
failed democracy
