Morning comes much too soon  
I'm lying in a heap  
My head is pounding, my body's aching  
I want to go back to sleep  
Don't tell me how to live my life  
It never worked for you  
Cuz if you practiced what you said  
You wouldn't be here too

I'm going crazy, I get excited  
Out of my mind and out of control  
Don't you try to tell me what to do or say  
I'm right on time - late every day

I got a bad attitude  
Stubborn as a mule  
Ain't nobody's fool  
I got a bad attitude  
That's what they say, yeah  
I got a bad attitude

I got a dream  
One day I'm gonna make it real  
Don't want to work from nine to five  
That's just a losing deal

I'm going crazy, I get excited  
Out of my mind and out of control  
Don't you try to tell me what to do or say  
I'm right on time - late every day

I got a bad attitude  
Stubborn as a mule  
Ain't nobody's fool  
I got a bad attitude  
That's what they say, yeah  
I got a bad attitude

Stubborn as a mule  
Ain't nobody's fool  
I got a bad attitude  
That's what they say

That's what they say  
I got a bad, bad, bad, bad, bad attitude  
I got a bad, yeah, I got a bad, yeah
