

Hellish War "Gladiator"

Visit "[Gladiator](#)" on MotoLyrics.com

I am a Gladiator warrior,

Prisoner of war

Be forced to fight in Westplace,

I hope for my revenge

In a endless fight to survive,

I fight against my brothers

So look around in blood split,

I see the face of my friends

Fight, Gladiator Fight

Fight or you will die

Chorus: The sword is mine, Only friends in my hands

My hands, my hands

Will strike fatally, Up my enemies, my enemies

Enemies for destiny

Victms of fate, of fate

Enemies for destiny

Victms of fate
