In a world devastated by hate,

There is little chance to survive

Violence and tragedy make the laws,

Leaving everyone alert

Nowadays the world is not the same

In the past, Justice ruled

Only a grasped sword, Will make a difference now

Chorus: SACRED SWORD, THE TIME HAS COME

LET'S FIGHT

SACRED SWORD, BE BY MY SIDE

MAKE IT RIGHT

Let's look for it now,

We can't wait any more

Through mountains,

seas and forests

No doubt, she will be there

Waiting for the true knight,

To combat the evil ones

Only a grasped sword,

Will make a difference now

Repeat Chorus

Let us get what is ours,  
Because life gave us that  
Let's make things right,  
For those who believe  
We won't put our guards down,  
Because we also believe  
Only a grasped sword,  
Will make a difference now
