Hello Beautiful
"Virginia Symphony"

So your planning on leaving
I know I know I know it's up on me
So you plan to deceive me
I know I know Virginia symphony

Half empty
Bent in a broken glass
I'm usually lifted skippin class
Cinqo mas in minutes pass
Risin rates and smokin hash
Ay! you decay by design
I'll reconsider
Remind me why I should be re-depictin your desires
again

Pigeon hole everything cut from the skin
Paper cut roll your mind again
I been left for the taking
For the taking
Oh walk through the fire and run through the walls
Shots ringing out in the high school halls
You never see it coming but it's not our fault she's
leaving
So your planning on leaving I know I know I know it's up
on me
So you plan to deceive me I know I know Virginia

Ay playa, say uhh
Did you hear that sound?
What's goin down?
Why… isn't that a musket a-fire?
The tussle must be for power
The same kind that lost em all in the towers
Is that them folk nobody talked to down there on a 'bag
and tie-up'?

Just throw me out

I'm cast aside
I'm throwin slugs
They say they just throwin stones
While you sit there on your throne
Nightmares sleep down the hall of the corridor
We're in the midst of an entire society bein endroned

Oh walk through the fire and run through the walls
Shots ringing out in the high school halls
You never see it coming but it's not our fault she's
leaving
