You're a sucker for a sweet talker  
Someone who'll cross the line  
Every time, no matter what  
Just to show you, you were right

I'm a loser when it comes to winning  
So let's go back, back to the beginning again  
And we'll be just fine

I'm just looking for a good time  
Nothing serious at all  
No your heart don't have to be right  
I'll pick you up to watch you fall

I can be anything you want baby, you have to pay the  
price  
I'll do whatever you say, without thinking twice  
You may think you know everything about me  
But I swear that you don't

I'm just looking for a good time  
Nothing serious at all  
No your heart don't have to be right  
I'll pick you up to watch you fall  
Maybe someday soon, you will get the nerve to call me  
But until that day, so late so sorry

I'm just looking for a good time  
Nothing serious at all  
No your heart don't have to be right  
I'll pick you up to watch you fall  
Maybe someday soon, you will get the nerve to call me  
But until that day, so late so sorry
