Brutal Truth)

digerdoo handled by Andy Haas

Dilution of pain

Bleed incompetent reign

Life through purity

Humanity maintained

It brings in hope of precious life

Answers agony divine

Push ill-thoughts

Of humanities decline

Finally, system feeds, travesties

Chokes life's inner sanctity

Skeptically, you'll see,

Their lives ain't worth a dime

In the end, you and I will never see

Look as one one, upon this blasphemy

If I was you, I'd adjust my sensitivity

Blame or fault, question rationality

In the end, you and I will never see

Pain is small defy your own mortality

Run again, answers will be the same

Open your eyes and see it for what it is

Corporate science descrying lives in the benefit of
none

Liberation from the foolish

Cash in cost, rhyme or reason ... no
