

Hello Kelly

"Favourite Arcade"

Visit "[Favourite Arcade](#)" on MotoLyrics.com

could you look into my eyes
and tell me that you enjoyed
everytime we played your game
you always brought me down the same old way
when i come up to this place
its your favourite arcade

i'm drowning in your skin
but i just want out of it oh (2x)

i never bargained for this pain im feeling now
this fever pierces every part of me somehow
my tongue is twisted
and i can't look down no matter how hard i try

well i walked away
from my favourite charade
i thought i loved you
yesterday you were just in my head
i guess you thought that i would cave
hey girl, i guess your still the same
how do you like me now
now that i'm on my way
it's always the same game you play oh

i never bargained for this pain im feeling now
this fever pierces every part of me somehow
my tongue is twisted
and i can't look down no matter how hard i try
i know that it don't matter
how hard i try
i know that it don't matter
how hard i try

how can i hate you when you buy me flowers?
how can i trust you when they always die?

i never bargained for this pain im feeling now
this fever pierces every part of me somehow
my tongue is twisted
and i can't look down no matter how hard i try

i know that it don't matter
how hard i try
i know that it don't matter
how hard i try
