Well I won't back down, no I won't back down  
You can stand me up at the gates of hell  
But I won't back down

I'll stand my ground, won't be turned around  
And I'll keep this world from draggin' me down  
Gonna stand my ground and I won't back down

Chorus:

Hey, baby, there ain't no easy way out  
(I won't back down)  
I'll stand my ground  
And I won't back down

Well I know what's right, I got just one life  
In a world that keeps pushin' me around  
Gonna stand my ground and I won't back down

Chorus:

Hey, baby, there ain't no easy way out  
(I won't back down)  
I'll stand my ground  
And I won't back down

i wont back, i wont back down  
i wont back, i wont back down  
i wont back, i wont back down  
i wont back, yeah i wont back down  
i wont back, i wont back down  
i wont back, i wont back down

Chorus:

Hey, baby, there ain't no easy way out  
(I won't back down)  
Well I'll stand my ground  
i wont back, i wont back down

i wont back, i wont back down  
i wont back, i wont back down  
i wont back, i wont back down
