I never thought that it would be  
She'd get tired of me  
And leave me all alone  
But she did

Looking back on the argument  
All of it seems to turn into a great big blur  
Don't recall all that was said, yeah  
But this relationship is dead

Dead in the water I thought her response  
To my blatant disrespect would be heard  
Regular thing, cry a bit  
Then eventually get over it, get over it

Not this time, shorty got hip to the game  
Not this line, oh, that line would work  
I normally could talk a bum into buyin' dirt  
I normally could talk a nun up out her skirt but

Not this time, she wasn't going for  
For my sweet talk, no, not at all  
Nobody to blame, was all my fault  
Tried to be slick, messed around and got caught, oh

I assumed she would forgive me  
Like every time  
But instead she said she's leaving

Click, click, bang, bang  
She hit me with click, click, bang, bang  
(Shot right through my heart)  
Click, click, bang, bang  
That awful sound, my baby shot me down

Click, click, bang, bang  
She hit me with click, click, bang, bang  
(Right through my heart)  
Click, click, bang, bang  
That awful sound, my baby shot me down

Well, I messed up and got at this girl

And my world's 'bout to crumble before my eyes  
I don't know why I did it  
But she was there so I did it, oh

And when I say I did it, I mean I did it  
I smacked it, I flipped it, I rubbed it, she loved it  
So much she had to tell her girlfriend  
Who happened to be my girlfriend

Oh, I guess that was  
The straw that broke the camel's back  
'Cause there wasn't no talkin' after that  
Came home and her bags was already packed

Not this time, she wasn't going for  
For my sweet talk, no, not at all  
Nobody to blame, was all my fault  
Tried to be slick, messed around and got caught

I assumed she would forgive me  
But instead she said she's leaving

Click, click, bang, bang  
She hit me with click, click, bang, bang  
(Shot me right through my heart, yeah)  
Click, click, bang, bang  
That awful sound, my baby shot me down

Click, click, bang, bang  
She hit me with click, click, bang, bang  
(Right through my heart, oh)  
Click, click, bang, bang  
That awful sound, my baby shot me down

Click, click, bang, bang  
She hit me with click, click, bang, bang  
(Hey, right through my heart, oh, baby, baby, baby)  
Click, click, bang, bang  
That awful sound, my baby shot me down

Click, click, bang, bang  
She hit me with click, click, bang, bang  
(Right in my heart)  
Click, click, bang, bang  
That awful sound, my baby shot me down

Bang, bang  
That awful sound, my baby shot me down  
Bang, bang

Bang, bang

That awful sound, my baby shot me down  
Bang, bang
