A Shake, I told you I got you, homie
A what's up, Brutha?
Let's get this done, homie
This what I do right here, baby

Shawty, you the one I give a ear to
They can turn the music up if they care to
All I might hear is shawty right here
Her **** make room even in a tight pair

And the truth is I'm on the top like the roof is
Shawty tryna to get where my bluetooth is
But I get cocky on then, though
And when they holla I get foxy on the ****, what?

Yeah, that mean I go deaf
My game so official, it don't need no ref
If you stop grinin', I stop winnin'
Like I'm in a club and the DJ stop spinnin'

Baby, I can turn you on
While them other **** tryna to learn the song
It's lil' so, in case you don't know so
Can't hear haters 'cause they talk low so

Unlike anything that I have ever seen
Like ya face had been cut out a magazine
And a body like a goddess
Got these got these dudes tryin' they hardest
But it aint workin', oh

I just sit back and observe the way you move
Something 'bout you make me wanna get to you
And then the lights go dim, yeah
And then I get this feelin', oh

'Cause I can't hear the music
(Cause I'm focused on you)
I can't hear the music
(When I'm dancin' with you)
I can't hear the music
(Feels like it's just me and you, in here, no, I can't hear)

I can't hear the music
('Cause I'm focused on you)
I can't hear the music
(When I'm dancin' with you)
I can't hear the music
(Feels like it's just me and you, in here, no, I can't hear)

Unlike anything that I have ever felt before
When we laid eyes, I could see that there was
somethin' more
She was sexy and so innocent, guilty and magnificent
I knew I had to have that girl

There was a silence that fell upon the club
On comes the spotlight and all I could see was her
We started movin' to her heartbeat
You became a part of me, part of me

'Cause I can't hear the music
('Cause I'm focused on you)
I can't hear the music
(When I'm dancin' with you)
I can't hear the music
(Feels like it's just me and you, in here, no, I can't hear)

I can't hear the music
('Cause I'm focused on you)
I can't hear the music
(When I'm dancin' with you)
I can't hear the music
(Feels like it's just me and you, in here, no, I can't hear,
no)

You're so beautiful, like an angel on the dance floor
All eyes are on you, you're impossible to ignore
Since I laid eyes on you, I don't think I'm not leaving
anymore
You're what I'm listening for

'Cause I can't hear the music
('Cause I'm focused on you)
I can't hear the music
(When I'm dancin' with you)
Feels like it's just me and you, in here, no, I can't hear

No, I can't hear
('Cause I'm focused on you)
When I'm dancin' with you
Feels like it's just me and you, in here, no, I can't hear

I can't hear the music
I can't hear the music
I can't hear the music
I can't hear the music
