Say ohhh...  
Say ohhh...

Say ohhh,  
Feel like I lost my Heart  
Or misplaced my thoughts and, I don't Know  
Where did it all go wrong  
I just couldn't see it comin'  
Say ohhh,  
Baby it was all My fault  
I forgot how to treat a Woman  
I don't Know,  
Why I was playing around  
And all the while I was Losin'

The best girl in my Life, for sure (for sure)  
Is about up and walk out that Door  
Said, She won't play Number 2 anymore  
Seems like the water's run dry  
And I don't know why...

So I'm telling her, I'm ready to work on Me  
It's too late, She's gone, She's gone, She's gone  
I'm telling her, I'm ready to meet her Needs  
It's too late, She's gone, She's gone, She's gone  
See, She decided to up and leave (up and leave)  
Before I could give her my Apologies (give her my  
Apology)  
Wish I could bring that Girl Back to Me  
It's too late, She's gone, She's gone, She's gone  
It's too late She's gone...

Say ohhh,  
I wanna wake myself up  
From this Nightmare that I'm dreamin'  
I don't Know,  
Why I took your Love for granted  
What the hell was I thinken'?  
Say ohhh,  
I'm missing everything We had  
I'd do anything to get You back, Yeah  
I don't Know,

How I let You get away  
Guess it's the price that I Pay, Yeah Yeah

The best girl in my Life, for sure (for sure)  
Says she about up and walk out that Door  
Said, she won't play Number 2 anymore  
Seems like the water's run dry  
And I don't know why...

So I'm telling her, I'm ready to work on Me  
It's too late, She's gone, She's gone, She's gone  
I'm telling her, I'm ready to meet her Needs  
It's too late, She's gone, She's gone, She's gone (it's  
too late She's gone)  
See, she decided to up and leave (up and leave, yeah)  
Before I could give her my Apologies (oh}  
Wish I could bring that Girl back to Me  
It's too late, She's gone, She's gone, She's gone  
It's too late She's gone...

It's nights like this  
I wish I would have never let my Baby get away  
Takes everything I have admitting my Mistakes  
Don't know if I could find my way without you Girl

Shoulda took the time to do the little things  
I wish I knew my neglect would bring  
You to go further away  
So now I know  
That it's way too late

So I'm telling her, I'm ready to work on Me  
It's too late, She's gone, She's gone, She's gone {it's  
too late she's gone}  
I'm telling her, I'm ready to meet her needs  
It's too late, She's gone, She's gone, She's gone  
See, She decided to up and leave (up and leave)  
Before I could give her my Apologies (Before I could  
give her an Apology yeah)  
Wish I could bring that Girl back to Me  
It's too late, She's gone, She's gone, She's gone

So I'm telling her, I'm ready to work on Me  
It's too late, She's gone, She's gone, She's gone (but  
it's too late she  
S gone)  
I'm telling her, I'm ready to meet her Needs  
It's too late, She's gone, She's gone, She's gone  
See, She decided to up and leave (up and leave, yeah)  
Before I could give her my Apologies (give her my  
Apology)

Wish I could bring that Girl back to Me  
It's too late, She's gone, She's gone, She's gone  
It's too late She's gone...

Say ohhh,  
It's too late She's gone, She's gone, She's gone  
Say ohhh,  
It's too late She's gone, She's gone, She's gone  
She's gone...
