Yeah, yeah-e-yeah, yeah-e-yeah, yeah

With the lights this low and the candles lit  
Baby, we can get it poppin' 'cause I know how to put it  
down  
And I don't usually play games, no and I can do a little  
foreplay  
Why don't you be my convertible and drop your top  
down

Baby, I know you're into me and girl, you know I'm into  
you  
'Cause ya got the type of sexy that make me wanna go  
down  
You make me wanna get physical, plus I be wanna get  
intimate  
You like when I be all up into it and I bet money

A man can't do it like this  
He can't make ya feel quite like this  
Make ya eyes roll back like this  
'Cause when I'm makin' love to ya I know what I'm doin',  
baby

Ya boy can't do it like this  
'Cause he don't know how to kiss ya like this  
And he can't work the middle like this  
'Cause when I'm makin' love to ya I know what I'm doin',  
baby  
Ya boy can't do it like this

'Cause all the fellas be lookin' like, homie, how ya pull  
dat one  
'Cause they say she got a body like  
With a face of a model, I mean, she could be a Cover  
Girl  
Like the bottom floor of an elevator, it's 'bout to go  
down

Baby, I know you're into me and girl, you know I'm into  
you  
'Cause ya got the type of sexy that make me wanna

stay home  
You make me wanna get physical, plus I be wanna get  
intimate  
You like when I be all up into it and I bet money

A man can't do it like this  
He can't make ya feel quite like this  
Make ya eyes roll back like this  
'Cause when I'm makin' love to ya I know what I'm doin',  
baby

Ya boy can't do it like this  
'Cause he don't know how to kiss ya like this  
And he can't work the middle like this  
'Cause when I'm makin' love to ya I know what I'm doin',  
baby  
Ya boy can't do it like this

Girl, I know ya lovin' it and ya love the way I'm givin' it  
And it's easy to see that he just can't do it quite like me  
Gon' and let ya self go, I'll take you from the bed to the  
kitchen floor  
I'm a grown man, baby and I'm 'bout to show ya

That ya man can't do it like this  
He can't make ya feel quite like this  
Make ya eyes roll back like this  
'Cause when I'm makin' love to ya I know what I'm doin',  
baby

Ya boy can't do it like this  
'Cause he don't know how to kiss ya like this  
And he can't work the middle like this  
'Cause when I'm makin' love to ya I know what I'm doin',  
baby

Ya boy can't do it like this  
He can't make ya feel quite like this  
Make ya eyes roll back like this  
'Cause when I'm makin' love to ya I know what I'm doin',  
baby

Ya boy can't do it like this  
'Cause he don't no how to kiss ya like this  
And he can't work the middle like this  
'Cause when I'm makin' love to ya I know what I'm doin',  
baby

The boy can't do it like this  
He can't make ya feel quite like this  
Make ya eyes roll back like this

The boy can't do it like this  
'Cause he don't no how to kiss ya like this  
And he can't work the middle like this  
A boy can't do it like this
