I'm so tipsy, I've been reeking up every drop that you're giving me
Oh my god, this feeling, now the sensation amazing
It's got me feeling like I'm wasted
Everything about you got me feeling twisted, turned up
Oh, oh, and I like it
The room is spinning round and round, till my heart hits the ground
That's why I'm feeling so

Love drunk, I'll keep kissing on your thighs
Love drunk, off your body, body yeah
Love drunk, losing all my senses and
Intoxicated but, you're telling me to just
Pull your love down, pull your love down, whoa
You're telling me to just
Pull your love down, pull your love down, whoa

Hold that position, let me make sure I save a lot that you giving me
Oh, babe, don't end it, there's no need to let go of...
You're so...
Everything about you got me feeling twisted, turned up
Oh, oh, and I like it
The room is spinning round and round, till my heart hits the ground
That's why I'm feeling so

Love drunk, I'll keep kissing on your thighs
Love drunk, off your body, body yeah
Love drunk, losing all my senses and
Intoxicated but, you're telling me to just
Pull your love down, pull your love down, whoa
You're telling me to just
Pull your love down, pull your love down, whoa

I can feel it, I can feel it, I think I'm going under
I can feel it, I can feel it, I think I'm going under
As I slow, I'm falling over myself...
Said I'm falling, I'm falling, I'm falling, I'm falling

Love drunk, I'll keep kissing on your thighs

Love drunk, off your body, body yeah
Love drunk, loosing all my senses and
Intoxicated but, you're telling me to just
Pull your love down, pull your love down, whoa
You're telling me to just
Pull your love down, pull your love down, whoa.
