what did I ever do to deserve  
ahhhh.  
girl like you  
you make me feel alright  
perfect in every single way  
you (ahhh.)  
a dream come true, the perfect story line

[bridge]  
seems like you manifest yourself right out of dreams  
you know what i mean (yeah, yeah)  
and i cant help but think your too perfect for me  
that's why I'm singing now

[chorus]  
i wanna keep you close to me (never gonna leave)  
cause your my girl, my girl (my girl,my girl)  
I'm gonna be the man you need  
you deserve the finer things  
my girl, my girl (my girl, my girl)  
ooh your my girl  
i always wanted to love you girl  
hug on and kiss you girl  
make you feel like my world (yeah,yeah)  
i never had no one care for me  
i need you like the air i breathe  
and I'm over-joyed every time that i see you

[bridge]  
seems like you manifest yourself right out of  
dreams  
you know what i mean (you know what i mean,girl)  
and i cant help but think your too perfect for me  
that's why I'm singing now

[chorus]  
i wanna keep you close to me (never gonna leave)  
cause your my girl, my girl (my girl,my girl)  
I'm gonna be the man you need  
you deserve the finer things  
my girl, my girl (my girl, my girl)  
ooh your my girl

cant nobody do me like you do baby girl  
forever share my world  
i really need you here, so never ever leave me  
tell me if it would be  
cause i need you, now

[chorus]

i wanna keep you close to me (never gonna leave)  
cause your my girl, my girl (my girl,my girl)  
I'm gonna be the man you need  
you deserve the finer things  
my girl, my girl (my girl, my girl)  
ooh your my girl
