[Verse 1]

I've been thinking
Meditating on life
And what I'm made of
So I listen to the voice in my heart
Feels like I can [show](#)?
I'm a new person

[Chorus]

This is good (x3)
The clouds are lifting
The sky is clear
This is good (x3)
I can see it
I can feel it

Oh-oh, I-I got a revelation (x4)

[Verse 2]

Been reflecting
And wondering
About my future
Taking chances
With questions in mind
But still I find peace in the adventure

[Chorus]

This is good (x3)
The clouds are lifting
The sky is clear
This is good (x3)
I can see it
I can feel it

Oh-oh, I-I got a revelation (x4)

[Verse 3]

Oh-oh, I-I'll take the chance to notice the little things
Oh-oh, I-I will never say what I can't do again
Oh-oh, I-I, I'll never go a day without a smile
Oh-oh, I-I, I'm gonna make every second count

Oh-oh, I-I got a revelation (x4)

Oh-oh, I-I (x12)
