Mmmmmmmmm feel so good(wowhohoooo)  
Mmmmmmmmmmm  
Oooowhohhhhhh mmmmmmmmmmmmm  
oooo youve been ever so strict baby  
Talkin bout' dont even think of it i cant even touch it  
baby be patient im a give it to ya when you can prove  
prove that you're worthy(well)  
and i aint gave you no drama when and met your  
mama and your daddy  
let em tell me that i didnt deserve youuuu  
well baby since ive been so damn good(tellin me  
tonights the night)  
said that i can have just however i want it  
that you gon lay back and just let me get on it  
oo my baby im about to break the word(in my head)  
cause ive been patiently waitin girl to ride and get rode  
on  
hope you can handle whats about to go on babeeee  
chorus

baby its bout to go down(im about to) set it off up in  
here now  
really hope you can handle what im bout to give you  
baby  
girl if you just lay down(oh x6)  
baby its bout to go down  
(im about to) set it off up in here now  
really hope you can handle what im bout to give you  
baby  
baby im not tryin to scare you(dont think that im crazy)  
but its been 3 months 2 weeks maybe 5 days  
and im about to give you da business  
(givin you all of me)all of mee (baby tell me baby dont  
stop) stop(musicpause)  
(starts) but i keep goin  
girl you aint knowin(you really aint knowin)  
we about to wake up all da neighbors fo sure

chorus

baby its bout to go down(said im about to) set it off up  
in here now

really hope you can handle what im bout to give you  
baby  
girl if you just lay down  
baby its bout to go down(oh x6)  
(im about to) set it off in here now really hope you can  
handle what im about to give babe

been on my best behavior(time for you to give me my  
reward)  
(come baby let me get on board this play to exstacy  
hehe)  
i no its gonna be worth the wait give me a taste  
(baby i got somethin to show you, sexually i wanna get  
to know you)  
just baby give it to me yeah yeah yeahhhhh

chourus x2  
baby its bout to go down(said im about to) set it off up  
in here now  
really hope you can handle what im bout to give you  
baby  
if you just lay down  
baby its bout to go down  
set it off in here now really hope you can handle what  
im about to give you baby...
