Rene,

[Verse 1:]

Look at her,
Ooh she fine
But I'm lookin at her friend,
She better,
Low cut jeans,
Spittin right,
I'm a get at her,
Cause she lookin at the boy,
Cause he stay fresher than the whole foods,
Ya know she gon choose,
So I tell Jared to run the distraction,
So I could step in,
And let her know what's happenin,
Cause you know her girls gon hate,
If they feel left out,
All my playas know what I'm talkin about...

[Chorus:]

She got me sayin (yeah)
Ooh she fine (ooh)
I think I might just make a move,
And show her how a real playa do,
Got my swagga right (check)
Game tight (yes)
There's only one thing for me to do...

Is ask her whatcha name is,
Whatcha name is,
Tell me whatcha name is,
Whatcha name is,
Whatcha name is,

Whatcha name is,
Ooh I gotta know,
Whatcha name is,
Oh I gotta know,
Tell me whatcha name is,
Oooh whatcha name is,
Whatcha name is,

[Verse 2:]

Look at her,
Havin meals did you,
Game tight (she better)
Swagga shows she got confidence(I ain't got at her)
And she knows it,
Body language shows it,
This girl is off the chain,
I still don't know her name,
So I tell jacob to run the distractions,
So I could swoop in and let her,
Know what's happnin,
Cause you know her girls gon hate,
If they feel left out,
All my playas know what I'm talkin bout...

[Chorus:]

She got me sayin (yeah)
Ooh she fine (ooh)
I think I might just make a move,
And show her how a real playa do,
Got my swagga right (check)
Game tight (yes)
There's only one thing for me to do...

Is ask her whatcha name is,
Ooh whatcha name is,
Tell me whatcha name is,
Ooh whatcha name is,
Whatcha name is,
Whatcha name is,
Ooh I gotta know,
Whatcha name is,
Oh I wanna know,
Tell me whatcha name is,
Whoaa whatcha name is,
Whatcha name is,

[Verse 3:]

She lookin right,
Her body tight,
She's more than a 10,
I gotta come in,

I'm bout to slide on over,
And ask her what the bidness is,
Let me know somethin,
Baby whatcha name is...

[Chorus:]
Whatcha name is,
Ooh whatcha name is,
Tell me whatcha name is,
Tell me what's your name girl,
