Girl
You wanted,
To shut it all off and make a run for the door

It's so hard
To make it,
For every inch we get we need a mile more

But there is always so much distance
Can't but feel it somehow
And you have never ever felt it like you feel it right now
I'm closin off inside and oh it's only just started
But you can't be close enough unless I'm feeling your
heart beat

All of your love
Is all that I need
All of your love
Is all that I need

Girl,
What are you doing now?
And are you going out?
Or has your life shut down?

Are you there?
This thing keeps cutting out
I feel like freaking out
But we keep reaching out

But there is always so much distance
Can't but feel it somehow
And you have never ever felt it like you feel it right now
I'm closing off inside and oh it's only just started
But you can't be close enough unless I'm feeling your
heart beat

All of your love
Is all that I need
All of your love
Is all that I need

Girl
It's hard enough
Just to move around,
It's hard enough
Just to move around

I wanted you
Oh, I wanted you
Girl I wanted you, to move
Oh, I wanted you
Girl, I wanted you
Oh, I wanted you, to move
Around
Around

All of your love
Is all that I need
All of your love
Is all that I need
[Repeat till end]
