Girl, you wanted
To shut it all off and make a run for the door
It's so hard to make it
For every inch we get we need a mile more

But there is always so much distance can't but feel it
somehow
But you have never ever felt it like you feel it right now
I'm closin' off inside and, oh, it's only just started
And you can't be close enough unless I'm feeling your
heartbeat

All of your love
Was all that I needed
All of your love
Was all that I needed

Girl, what are you doin now?
And are you going out? Or has your life shut down?
Are you there? This string keeps cutting out
I feel like freaking out but we keep reaching out

But there is always so much distance can't but feel it
somehow
But you have never ever felt it like you feel it right now
I'm closin' off inside and, oh, it's only just started
And you can't be close enough unless I'm feeling your
heartbeat

All of your love
Was all that I needed
All of your love
Was all that I needed

Girl, it's hard enough
Just to move around
It's hard enough
Just to move around

I wanted you, oh, I wanted you
Oh, I wanted you to move
Oh, I wanted you, girl, I wanted you to move

Around, around

All of your love
Was all that I needed
All of your love
Was all that I needed

All of your love
Was all that I needed
All of your love
Was all that I needed
