Visit you at baskin robins all the time  
To let you know that i am yours and you are mine  
So we can take long walks through central park  
And hold each others hands to fight the dark

So you know you're never on your own  
So you know you're never on your own

My bonnie lies over the ocean  
My bonnie lies over sea  
And every night at 2 am  
I wonder why can't she lie next to me.

Think of all the time you let me walk you to class  
And you would kiss my cheek and i'd never have to ask  
You're going away in late september  
But here's a thanks for a summer i'll always remember.

So you know you're never on your own  
So you know you're never on your own

My bonnie lies over the ocean  
My bonnie lies over sea  
And every night at 2 am  
I wonder why can't she lie next to me
