Oh, it is love  
From the first time I set my eyes upon yours  
Thinking, 'Oh, is it love?'

Oh, dear, it's been hardly a moment  
And you are already missed  
There is still a bit of your skin  
That I've yet to have kissed

Oh, say, please do not go  
Don't you know, oh, you know that I must  
Oh say, I love you so  
Don't you know you, oh, know you can trust

We'll be holding hands once again  
All our broken plans, I will mend  
I will hold you tight so you know

It is love from the first  
Time I pressed my hand into yours  
Thinking, 'Oh, is it love?'

Oh, dear, it's been hardly three days  
And I'm longing to feel your embrace  
There are several days  
Until I could see your sweet face

Oh, say, wouldn't you like to be  
Older and married with me?  
Oh, say, wouldn't it be nice to  
Know right now that we'll be

Someday holding hands in the end  
All our broken plans will have been  
And I will kiss you soft so you know

It is love from the first  
Time I pressed my lips against yours  
Thinking, 'Oh, is it love?'

Oh, your heart may long  
For love that is more new

So when I'm gone  
These words will be here

To ease every fear and dry up every tear  
And make it very clear, I kiss you and I know

It is love from the first  
Time I pressed my lips against yours  
Thinking, 'Oh, is it love?'

Oh, it is love from the first  
Time I pressed my lips against yours  
Thinking, 'Oh, is it love?'

Oh, I kiss you and I know

It is love from the first  
Time I pressed my lips against yours  
Thinking, 'Oh, is it love?'
