Oh say, please do not go
But you know, oh you know that I must
Oh say, I love you so
You know (oh) you, oh know you can trust
We'll be holding hands once again
All our broken plans I will mend
I will hold you tight so you know
It is love from the first
Time I pressed my hand into yours
Thinking, "Oh, is it love?"

Oh dear, its been hardly three days yet
longing to feel your embrace
There are several days
Until I can see your sweet face
Oh say, wouldn't it be nice to be older and married with
me?
Oh say, wouldn't it be nice to know right now that we'll
be
Someday holding hands in the end
All our broken plans will have been
I will kiss you soft so you know
It is love from the first
Time I pressed my lips against yours
Thinking, "Oh, is it love?"

Oh, your heart may long for love that is more near
So when I'm gone these words will be here
To ease every fear
And dry up every tear
And make it very clear
I kiss you and I know
It is love from the first
Time I set my lips against yours
Thinking, "Oh, is it love?"

Oh it is love from the first
Time I pressed my lips against yours
Thinking, "Oh, is it love?"

Oh I kiss you and I know
It is love from the first

Time I pressed my lips onto yours
Thinking, "Oh, is it love?"
