Prom is coming up it's on the 17th of May
And I have a message that I want to convey
I'll buy a nice suit and you can wear a pretty dress
You will watch me dance and realize I am the best!

Chorus: Will you go to prom with me?
And dance and dance and dance and dance and
dance and dance and
Will you go to prom with me?
And dance and dance and dance and dance and
dance and dance and

Slow dance and fast dance and clap clap clap our
hands
My moves will be so hot you'll have to stand under the
fan
This dance will be better than your favorite icecream
I cut like a knife, and I dance just like a dream

[Chorus]

Let's go to prom- And dance and dance and dance and
dance and dance and dance and
Let's go to the prom- And dance and dance and dance
and dance and dance and dance and
Let's go to the prom- And dance and dance and dance
and dance and dance and dance and
Will you go to prom with me? And dance and dance
and dance and dance and dance and dance and
Will you go to prom with me? And dance and dance
and dance and dance and dance and dance and

PROM WITH JESSE!!!
