Sleigh bells ring  
are you listening  
in the lane  
snow is glistening  
a beautiful sight  
we're happy tonight  
walking in a winters wonderland  
Gone away is the bluebird  
here to stay is a new bird  
He's singin the songs  
and moving along  
walking in a winters wonderland

Chorus:

In the meadow we could build a snowman  
and pretend that he is charlie brown  
he'll say: are snoopy?  
we'll say: no man  
but we'll let ya know if he's in town

later on  
we'll conspire  
as we dream by the fire  
and face unafraid  
the plans we have made  
walking in a winters wonderland

Chorus:

In the meadow we could build a snowman  
and pretend that he's a circus clown  
and we'll have lots of fun with mister snowman  
until mean old Lucy knocks him down

When it snows  
ain't it thrilling  
Though your nose gets a chilling  
We'll frolic and play  
the Eskimo way  
walking in a winters wonderland  
walking in a winters wonderland  
walking in a winters wonderland
