(m&l - deris)

He's got the woman
Out of your dreams
You'll never find out
What it all means
But you've got patience
And still believe
That you'll be there
When she will leave

Someone will lose
Somebody's finding
Somebody smiles
Somebody's crying

Can't fight
You can't fight your desire
You can't fight your dreams, yeah
You can't fight your desire
Hold on to your dreams, yeah

So listen hard now
Man you should know
If you're just waiting
Your doubts will grow
You self-believe

Already small
Get up now
You can have it all

Someone will lose
Somebody's finding
Somebody smiles
Somebody's crying

Can't fight
You can't fight your desire
You can't fight your dreams, yeah
Can't fight
You can't fight your desire

Hold on to your dreams, yeah

Someone will lose
Somebody's finding
Somebody smiles
Somebody's crying

Can't fight
You can't fight your desire
You can't fight your dreams, yeah
