If your body's feeling bad
And it's the only one you have
You want to take away the pain
Go out walking in the rain

You watch the flowers go to bed
Ask the man inside your head
Your spirit never has to grieve
All you've got to do is believe

The faith healer, the faith healer

All you've got to do is feel
Your body's gonna to start to heal
The fingertips of holy fire
Everlasting sweet desire

It never mattered what the doctor said
The healer man will sail away
Immortality for two
Miracles they will come to you

Faith healer, faith healer

Can I put my hands on you?
Can I put my hands on you?

Faith and hope and charity
The simple relativity
He can make you understand
All you've got to take his hand

Remember when somebody said
Ask the man inside your head
The fingertips of holy fire
Ever lasting sweet desire

Faith healer, faith healer

Can I put my hands on you?
Can I put my hands on you?

Let me put my hands on you?
Can I put my hands on you?

Let me put my hands on you?
Can I put my hands on you?

Faith healer, faith healer
Faith healer, faith healer
