(originally performed by Faith No More)

Tossed into my mind, stirring the calm  
You splash me with beauty and pull me down  
You come from out of nowhere  
My glace turns to a stare  
Obsession rules me--I'm yours from the start  
I know you see me--Our eyes interlock  
You come from out of nowhere  
My glace turns to a stare  
One minute here and one minute there  
Don't know if I'll laugh or cry  
One minute here and one minute there  
And then you wave good-bye...  
Sitting to the bottom, every day for two

All energy funnels, all becomes you  
You come from out of nowhere  
My glace turns to a stare  
One minute here and one minute there  
Don't know if I'll laugh or cry  
One minute here and one minute there  
And it hurts inside  
One minute here and one minute there  
And then you wave good-bye...
