There are some fellows soft and mellow
Sitting in the field and play like hell
No one knows the way it goes
But all the songs they play they sound so well
Yeah, they sound so well

Tonight we go to see the heavy metal hamsters
(Heavy metal hamsters)
Heavy metal hamsters
It must feel nice to be a heavy metal hamster
(Heavy metal hamsters)
A Heavy metal hamster
Nothing sets you free like a heavy metal hamster

A twenty century fox came by
A gold tipped cigarette high in his jaws
Contracts PDs, nose bags, TV shows
And everything with no remorse
Oh yeah, with no remorse

Ah, things are settled now for our heavy metal
hamsters
(Heavy metal hamsters)
Heavy metal hamsters
Ah, fame up to your brows oh heavy metal hamsters
(Heavy metal hamsters)
Heavy metal hamsters
A previously unknown lifestyle, heavy metal hamsters

The sweet taste of success is strong
And everything inside goes wrong
You see with colored furs sunglasses
Tons of nuts to eat, they don't feel free

What is wrong with our heavy metal hamsters?
(Heavy metal hamsters)
Heavy metal hamsters
Look what they have done, our heavy metal hamsters
(Heavy metal hamsters)
Heavy metal hamsters
Where is the field to run for our heavy metal hamsters?
Some things are left undone for our heavy metal

hamsters
