(m&l - grosskopf)

I'm always on the run with my guitar and my old shoes
I'm movin' and I'm groovin' and I really got the blues
I'm always havin' fun and I've got nothin' left to lose
I never tune my guitar 'cause I like the way it grooves

Sitting in a sleazy bar I'm slowly goin' down
I ain't got no more money but I know you'll be around
Early in the morning and the first kiss isn't far
I ain't got nothing better than my girl and my guitar

We're rockin' and we're rolling and we don't know what
we do
We play so loud and out of tune I need a new tattoo
We don't give a damn-shit we five horsemen on the run

We only wanna go out there and have a lot of fun

Sitting in a sleazy bar I'm slowly goin' down
I ain't got no more money but I know you'll be around
Early in the morning and the first kiss isn't far
I ain't got nothing better than my girl and my guitar

Take me through the night and I will always be with you
Feel me, touch me, hear me, yes I love the things we
do
Love me and I show you just the way I love you too
We belong together and I never let you go
