(M - Deris, Weikath L - Weikath)

May I take you higher  
Feed well your desire  
We won't be forgotten  
Foes left slain and rotten

I will have my way  
As once before  
Others stand in awe  
Can't scorn at all

I can, I can, I can  
Make it all again  
I don't wanna lose  
I don't wanna get drowned  
I can, I can I can  
Heed the call again  
Fulfill my dreams until I'm cured

Will i be the flyer  
Keep you more inspired  
Some will leave here shattred  
Wish us tarred and feathered

Show me anyone who doubts our ways  
I will laught out loud and I will say

I can, I can, I can  
Make it all again  
I don't wanna lose  
I don't wanna get drowned  
I can, I can I can  
Make the call again  
Can attain ev'rything to leave you sure  
I can

I canÃ,Âii..i..i can!

I can, I can, I can  
Make it all again  
I don't wanna lose  
I don't wanna get drowned

I can, I can I can  
Heed the call again  
Fulfill my dreams until I'm cured
