Hey, brother, I miss you so
You knocked on heaven's door
And we won't see you anymore

It must be crazy what we're living for
'Cause God's stopped keeping you
On the ladder of you life
I call your name with tears in my eyes

I don't wanna cry no more
Past gave me happiness and gain
Life is fleeting like a flower
From a distance after sorrow
I pray the Lord to keep your soul
I don't wanna cry no more
We're still missing you

Life's like a walking on a high wire
You slipped away, I've seen you dying in vein
High as mountains seem all the problems that I have
But when I hear your voice far away out of the dark
You just go on and on in the back of my mind

I don't wanna cry no more
Past gave me happiness and gain
Life is fleeting like a flower
From a distance after sorrow
I pray the Lord to keep your soul
I don't wanna cry no more
We're still missing you

Skin and bone won't touch the sky
I hope you'll find passage out of the dark
To the other side of the sea
And I know that I'll see you again

I don't wanna cry no more
Past gave me happiness and gain
Life is fleeting like a flower
From a distance after sorrow
I pray the Lord to keep your soul
I don't wanna cry no more

We're still missing you

I don't wanna cry no more
Past gave me happiness and gain
Life is fleeting like a flower
From a distance after sorrow
I pray the Lord to keep your soul
I don't wanna cry no more
(I don't wanna cry no more)
We're still missing you
