(Deris)

Unchain your obscenity
Desirable enemy
Await my enlightening
Allow what your fate can bring

Now - you're caught inside my cage
You - the object of my rage
Sin - I wash you clean again
I'm your redeemer

'Cause I
I live for your pain
I live for your pain
I'm dying

My victim you're meant to be
No, you cannot hide nor flee
You know what I'm looking for
Pleasure, your torture I will endure

Now - you rust inside my cage
You - the object of my rage
Blood - I wash you clean again
I'm your redeemer

'Cause I
I live for your pain
I live for your pain
I'm dying
I'll burn in your flame
I live for your pain
I'm dying
I'm dying
I'll burn

Now - you're rust inside my cage
You - the object of my rage
Blood - I wash you clean again
I'm your redeemer
Be my believer

'Cause I
I live for your pain
I live for your pain
I'm dying
I'll burn in your flame
I live for your pain
I'm dying
I'm dying
I'll burn
