I Want Out (4:39)

(Music + lyrics: K. Hansen)

>From our lives' beginning on

We are pushed in little forms

No one asks us how we like to be

In school they teach you what to think

But everyone says different things

But they're all convinced that

They're the ones to see

Bridge: So they keep talking and they never stop

And at a certain point you give it up

So the only thing that's left to think is this

Chorus: I want out--to live my life alone

I want out--leave me be

I want out--to do things on my own

I want out--to live my life and to be free

People tell me A and B

They tell me how I have to see

Things that I have seen already clear

So they push me then from side to side

They're pushing me from black to white

They're pushing 'til there's nothing more to hear

Bridge: But don't push me to the maximum

Shut your mouth and take it home

'Cause I decide the way things gonna be

Chorus: I want out--to live my life alone

I want out--leave me be

I want out--to do things on my own

I want out--to live my life and to be free

There's a million ways to see the things in life

A million ways to be the fool

In the end of it, none of us is right

Sometimes we need to be alone

(Solo: Kai/Both)

No no no, leave me alone

Chorus: I want out--to live my life alone

I want out--leave me be

I want out--to do things on my own

I want out--to live my life and to be free
