[Forgotten in his reich of shadows  
Banned forever, one thought  
The Lord of Evil was given name and place of the  
seventh sea  
Shelter of the Seventh Key  
Who was betraying us? I guess you know  
There would be more than one name to name  
Now, he whose names are many, searches for the one  
The one strong enough to survive as his terrestrial  
hand  
Enticement and promise will crown a king  
A puppet on a string, for a 1000 years...  
So they sing...]

Wouldn't it be nice, to plunder with your eyes?  
Whatever ther's for you to see  
Is yours to be  
Let me be there, just say that you don't care  
Just say you'll pay me after life  
No matter how the price

I know your secrets  
I know it all...

I know your secrets  
I see the hidden without light  
I am your sickness  
Biting you right behind your eyes  
Don't try to kill me  
I cannot die a death you know  
You and I will be  
Heaven above and Hell below

Brother - Believe me  
Father - Conceive me, perceive me

Time will be a turning wheel  
We shove or retard  
Time will be a toy  
Time we will enjoy  
Say you want to live forever

Minus one day  
Say you will obey and I

I will show, I will show  
I will show your Reich of gold  
And I will show, I will show  
I will show you friend and foe

Wouldn't it be nice, to reign and to decide?  
Whatever there's attracting you  
Will give its due to you  
Let me be there, just say you want to share  
A power no one will withstand  
Just be my human hand

I know your secrets  
I know it all...

I will show, I will show  
I will show your Reich of gold  
And I will show, I will show  
I will show you friend and foe

[Choir]

Don't release us, now he sees us  
No illusions, executions  
The damnation, the annihilation  
The non-stopping celebration

Alienation, Elimination  
Chaos, no exonerations  
Non believers, All deceivers  
No illusions, Executions!

We are King For A 1000 Years  
We are king of a million tears  
We're the ones who bring desire  
Binding their greed and fears  
We are king of fallen men  
We are keepers of the damned  
Turning hope into obsession  
We are the king  
We are The King For A 1000 Years

Ages of fire  
Aeon of darkness, fear and hate  
Wake up my creatures  
Stand up you bringers of man's fate  
No one can kill us  
We cannot die a death one knows

Mankind is sleeping  
My victory near, their en so close

I know their secrets  
I know it all...

Goodbye sorrows!  
Borrow me you hand to turn the key  
Release me, believe me  
Goodbye sorrows!  
Never more you have to fear futurity  
Goodbye sorrows!  
Borrow me you hand to turn the key  
Conceive me

Time will be a turning wheel  
We shove or retard  
Time will be a toy  
Time we will enjoy  
Say you want to live forever  
Minus one day  
Say you will obey and I

I will show, I will show  
I will show your Reich of gold  
And I will show, I will show  
I will show you frind and foe

We are King For A 1000 Years  
We are king of a million tears  
We're the ones who bring desire  
Binding their greed and fears  
We are king of fallen men  
We are keepers of the damned  
Turning hope into obsession  
We are the king  
We are The King For A 1000 Years
