[Music : A. Deris / Lyrics : A. Deris]

In a house up the hill
Lies a boy, he's sleeping still
And the time's creeping by
'Till the world prepares to die
Then again out of dust
Will arise what ended last
And the boy will awake
Give his dream a little brake

And the story nnow goes on and on and on and on
As the old has died the new arises
And a child will

Light the Universe
Light the Universe
We got blind, we can't read the signs
Light the Universe
Light the Universe
We don't find what's hidden in
Our mind

Under sand in a sea
Covered with eternity
Beats a heart with no fame
Quietly whispering my name
When my time has run out
I will hear it very loud
Telling tales I once knew
But forgot by losing you

And the story has gone on and on and on and on
As the old has died the new arises
And a cild will

Light the Universe
Light the Universe
We got blind, we can't read the signs
Light the Universe
Light the Universe
We don't find what's hidden in our mind

Light the Universe
Light the Universe
We got blind, we can't read the signs
Light the Universe
Light the Universe
We don't find what's hidden in our mind

In a house up the hill
Lies a boy, he's sleeping still
And the time's creeping by
'Till the world prepares to die...
