Why do you run, answer me
Who do you follow, talk to me
What is the hidden, that I cannot see
What is the prize, you try to hide from me

I see you dying and I listen
(Listen)
And I listen
(Listen)
Listen to the flies
Listen to the flies

Who is the idol you obey
Give me a reason, you're afraid of me
You'd never been punished or never had pride
I see you circle round and round the site

I see you dying
I see you dying

And I listen to the flies
And I listen to the flies
And I listen to the flies
And I listen to the flies

Why do you run, answer me
Who do you follow, talk to me
What is the hidden, that I cannot see
What is the prize, you try to hide from me

I see you dying
I see you dying

And I listen to the flies
And I listen to the flies

And I listen to the flies
And I listen to the flies
And I listen to the flies
And I listen to the flies
