My age you keep uncertain
This spell cannot be broken
Visions of eternal youth

We share one face together
Associates forever
Only you who knows my truth

Mirror, mirror on the wall
Whose the master of them all?
Mirror, mirror split in two
Look at me, who are you?

Mirror, mirror
Mirror, mirror

I swim in my reflection
Mirror answer my question
Tell me what I want to hear

I see a perfect creature
My evil eye can teach you
I'll drown you with your vanity

Mirror, mirror on the wall
Whose the master of them all?
Mirror, mirror split in two
Look at me, who are you?

No, my life is beautiful
I said no, my life is beautiful

[Inaudible]
Mirror, mirror
Mirror, mirror
Mirror, mirror
[Inaudible]
Mirror, mirror
Mirror, mirror
Mirror, mirror

Mirror, mirror on the wall

Whose the sickest one of all?
Mirror, mirror split in two
Look at me, who are you?

Mirror, mirror on the wall
Whose the master of them all?
Mirror, mirror split in two
Look at me, who are you?
