Welcome to the torture chamber
laughinh as it taked you by the hand
said the sign above the entrance

Looking as i maniac savage
inside you can sense the anguish
theatre of pain has just begun

Mr.Torture gives pain
with his whips and his chains
Mr. Torture
he knows just what you crave

If you're feeling alone
then just pick up your phone
Mr. Torture sells pain
dial 18 double 0 Mr. Torture

Only sixty cents a minute
for his special brand of singing
phone guaranteed to blow your mind

cyber-torture soon coming your way
has a live chat every weeknight
You can catch him on a website

Mr Torture sells pain
Mr Torture
to the houswives in Spain
he knows just what you crave

dial 18 double 0 Mr. Torture
If you're feeling alone
then just pick up your phone
Mr Torture sells pain
Handcuffed, bounded, chained and blinded

body, soul and mind ignated
every sense is torn and ripped apart

He's been banned in twenty countries
though he does it for money

he gets pleasure by hearing you scream
Mr. Torture gives pain

with his whips and his chains

he knows just what you crave Mr. Torture
dial 18 double 0 Mr. Torture
If you're feelin alone
then just pick up your phone
Mr. Torture sells pain
