"Push Th' Little Daises"

when u lie
kiss your baby bye bye bye
and if you're true
the whole wide world will laugh with you
when we see
nothing's wrong with you and me
with you time will tell
it might even bring a wedding bell
if u think that i'm a loser
well you suck, cause u know i ain't nothin'
but a user of your love
can't get enough
girl it's true
the whole wide world is smilin' with you

push th' little daisies and make em come up

sometimes i know
sometimes i'm on the go
but i'm comin' back
so don't give me no flack
it's all you
and it's me too
it's your world
you're the girl
happier than shit
things that might go click with me
click with you
is that love?
is that love? oh.

push th' little daisies and make em come up (x8)

watch the litle daisies grow, little daisies grow
now just push th' the little daisies and make 'em come
up
watch them grow watch them grow
as i push the little daisies and make 'em come up
make 'em come up
make 'em come up
make 'em come up, say

push th' little daisies and make em come up (x7
