How can I see what I'm leaving for?
How can I give what I gave before?
How can you tell me that you want me to stay?
How can I stay when I'm trying to say

That I can't live without the rain
Yes, I can't live without the rain

How can I feel what I'm trying to feel?
How can I move when I'm heel to heel?
You're always shouting 'bout the doubt in my eye
But I can't answer 'cos my eyes are so dry

Now I can't live without the rain
Yes, I can't live without the rain

Rain, rain
Rain, rain
Rain, rain

I can't live without the rain
That's falling on my head
Rain that's falling on my head
Rain that's falling on my head

Rain that's falling
Rain that's falling
Rain that's falling on my head

Yes, I can't live without the rain
Yes, I can't live without the rain
Can't live without the rain
Can't live without the rain
