Hey baby, what you gonna do  
When the lights go up on you  
What's your name, can I drive you home  
Sweet woman, are you all alone

'Cause you're the one for me  
I'm gonna keep you busy as a bee  
Could be, could be

Rat bat bat bat blue  
Rat bat blue

Now get up, woman, don't be slow  
It's getting late and I wanna go  
No cause for acting big  
Got to love, got to live

Stick around with me  
I'm gonna show you things  
You'd never thought  
You'd see, you see

Rat bat bat bat blue  
You're so fine  
Rat bat blue

Get out, you didn't understand  
I'm a hard loving man  
No way you can satisfy  
The way you look, the way you lie

And when you shut the door  
Make sure I don't see you  
'Round here no more, no more

Rat bat bat bat blue  
Rat bat blue  
Rat bat blue  
Rat bat blue  
Rat bat blue  
Alright
