He is God and he is light
He means everything in life
To her awaking mind

He's the one of two she loves
He's the one of two she snog
And hugs in blind faith

But in the recent dead of nights
There was wonder, there was fright
Daddy's coming for a secret playing
Secret playing

Silent giants, silent rain
Silence covers shame
Lying colors, lurking bane
Under the silent rain

Daddy told her not to speak
Not to wail and not to weep
A promise she won't keep

Saw her mother at the door
Starting craven to the core
She won't care no more

So in the endless coming years
There was sorrow, there was fears
Daddy's coming for a secret playing
Secret playing

Silent giants, silent rain
Silence covers shame
Lying colors, lurking bane
Under the silent rain

Silent giants, silent rain
Silence covers shame
Lying colors, lurking bane
Under the silent rain

Silent giants, silent rain

Silence covers shame
Lying colors, lurking bane
Under the silent rain

Under the silent rain
Under the silent rain
Look out for the silent rain
