What keeps on tellin' me  
To stay on the way I chose  
(The way I chose)  
What keeps on givin' me  
All the strength to carry on  
(To carry on)

Give me some time  
Can't sleep anymore at night  
I wanna show I'm here with  
An aim of mine

'Cause I feel strong  
But someone is cryin' alone  
It's so hard to find  
A sign of a way to go

Don't need to stone my brain  
I need my head for somethin' else  
(For somethin' else)  
I wanna live and learn  
Step by step I'm goin' on  
(I'm goin' on)

Send me a sign  
Don't wanna resign too soon  
What situation will come?  
I can't endure

'Cause I feel strong  
But someone is cryin' alone  
It's so hard to find  
A sign of a way to go

Send me a sign  
Don't wanna resign too soon  
What situation will come?  
I can't endure

'Cause I feel strong  
But someone is cryin' alone  
It's so hard to find

A sign of a way to go

Well someone is cryin' alone

(Alone)
