Headless

Pullin' the machine down

Comin' to the low sound

Feelin' like a real man, yeah

Racin'

Flashin' from down under

Flesh and blood and thunder

Tremblin' wheel in cold hand, yeah

Faster, much faster, ohh

What a human speed disaster!

Deeper, much deeper

On to the void I cast'er

I'm a steel tormentor

And I speed 'round every curve

I'm a mean imperator

Of my intimate machine

Turkey

Near to devastation

Losin' all my patience

Cannot make this kit fly, yeah

Danger

Muscular contraction

Out for satisfaction

Solid intoxication, yeah

Nightride, it's nightride now

Try to catch my tail lights

So sad, I'm so sad

But you won't ever suck my steel bride

I'm a steel tormentor

And I speed 'round every curve

I'm a mean imperator

Of my intimate machine

I'm a steel tormentor

And I speed 'round every curve

I'm a mean imperator  
Of my intimate machine

I'm a steel tormentor  
And I speed 'round every curve  
I'm a mean imperator  
Of my intimate machine

I'm a  
Whao

I'm a steel tormentor
