[M&L - Weikath/Deris]

Headles  
Pulling the machine down  
Coming to the low sound  
Feeling like a real man

Racing  
Flashing fom down under  
Flesh and blood and thunder  
Trembling wheel in cold hand

Faster, much faster-  
wot a human speed disaster  
Deeper, much deeper  
on thru the void I cast'er

I'm a steel tormentor  
And I speed 'round ev'ry curve  
I'm a mean inperator  
Of my intimate machine

Turkey  
Near to devastation  
losing all my patience  
Cannot make this kit fly

Danger  
Muscular contraction  
Out for satisfaction  
Mere intoxication

Nightride, it's nightride now-  
try to catch my tail lights  
So sad, I'm so sad  
But you wont ever suck my steel bride

I'm a steel tormentor  
And I speed 'round ev'ry curve  
I'm a mean inperator  
Of my intimate machine
