

Helloween "The Invisible Man"

I am the one who wants to show...you a secret of your
cheating world
Wherever I will go - no one can see me 'cause I'm the
invisible man
I'm a creature with one goal: rise up to heaven when
the time has come
I have no body but a soul... Gods law is written on my
way, forever

Time by time I think it's over
The malediction I have got when the world was young
I've been captured in the name of God to save people,
but who cares?
Since a thousand years until the holy land will come

Here I am the invisible man
A lost fallen angel helping mankind where I can
My memories are there to save your world
For you I'm the invisible man

There's the destiny you don't know
I'm a guardian angel and wherever you'll go
You fight through your life not alone
You can't hear me, nor see me but trust the holy flow

Here I am the invisible man
A lost fallen angel helping mankind where I can
My memories are there to save your world
For you I'm the invisible man...
