Sometimes I'm tough and bold  
Just sometimes I am frightened  
Sometimes I'm dull and cold  
But sometimes so enlightened  
I made some old mistakes but still did what I wanted  
Sometimes the right you turned into wrong  
I did it again  
I don't give a damn

Here I am  
Waiting for the thunder  
Waiting for the pain  
Waiting for the rain you're bringing  
Here I go  
Waiting for the thunder  
I am not a saint  
Put on your war paint  
And kill me

Sometimes I have to leave  
Knowing sometimes I got stranded  
Sometimes I want to fight  
Though many times I was branded  
Whatever life may bring I just try to keep my head up  
Sometimes you have no choice but to kill  
A man as I am  
I don't give a damn

Here I am  
Waiting for the thunder  
Waiting for the pain  
Waiting for the rain you're bringing  
Here I go  
Waiting for the thunder  
I am not a saint  
Put on your war paint  
And kill me  
And kill me  
And kill me  
Come and kill me  
Come and kill me right now

Here I am  
Waiting for the thunder  
Waiting for the fate  
I am not afraid to face you  
Here I go  
Waiting for the thunder  
Waiting for the flame  
Play your lousy game and kill me  
And kill me  
And kill me  
And kill me

Here I am  
Waiting for the thunder  
Waiting for the pain  
Waiting for the rain you're bringing  
Here I go  
Waiting for the thunder  
I am not a a saint  
Put on your war paint  
And kill me
